6	Stay away from adding more High Density Population Areas- they lead to higher crime rates and a reduction in property value for preexisting residents.	8/24/2022 9:45 AM
7	Land owners of existing empty lots should be eligible for easy rezoning from R1 to R2.	8/15/2022 5:45 PM
8	I think we need to fix some of the stuff that's already existing like the pass on the trails before putting in new parks and walking areas	8/11/2022 7:55 AM
9	More green space/open space needed	8/10/2022 6:47 PM
10	The plan looks good as long as there are limited environmental impacts .	8/10/2022 12:32 PM
11	What about the area for an interstate??	8/10/2022 10:17 AM
12	Have a permedent amusment park and an indor mall	8/10/2022 9:10 AM
13	Hard to find on map	7/28/2022 4:08 PM
14	I don't see enough green space mixed into city / residential areas	7/27/2022 10:54 PM
15	As a resident of Towns Riverview, I don't want to see industrial space come any closer to my home, so I'm not in favor of the area between the cemetery and the field becoming business industrial.	7/15/2022 1:35 PM
16	The map is too little to read/see effectively.	7/13/2022 10:27 AM
17	Hard to decifer.	7/12/2022 4:02 PM
18	With exceptions of comments of #8 and #9 below.	7/10/2022 8:34 AM
19	We have a so called "bypass" bringing trucks and through traffic right through the middle of medium density residential. We need an actual bypass plan. Also you have put our farm circles in industrial.	7/10/2022 6:13 AM
20	So vague. Most people don't know the definitions of each area specifically.	7/1/2022 9:29 AM
21	Missing early childhood!	6/30/2022 4:05 PM
22	The map isn't very clear.	6/30/2022 3:15 PM
23	Difficult to interpret map	6/30/2022 1:58 PM
24	Another high school. Current one over populated once again like previous older high school. More medium density residential up north not all located just south of garden.	6/29/2022 9:33 AM
25	Solar energy and amusment parks malls and green spaces	6/29/2022 8:42 AM
26	I do not want the land between Towns RD and Raceway that is proposed 'light residential'. It needs to remain Agricultural.	6/28/2022 5:42 PM
27	Hard to tell what it is.	6/23/2022 7:08 AM
28	I see a need for "Retail" downtown - and an ordinance to protect the vitality of retail and growth downtown. We also have a huge need to affordable housing in Garden City. Speaking with Building Owners and getting them to either protect and make their buildings nice - rent them or sell them.	6/22/2022 10:05 AM
29	We need to stop allowing the same businesses to control the vast majority of developments especially when those businesses attack their competitors and must have everything their way or else!	6/20/2022 2:15 PM
30	Need more plans for schools in northeast part of city	6/17/2022 5:28 AM
31	None of this is needed. You are spending money we do not have and making it unaffordable to live in Garden City!	6/16/2022 5:54 AM
32	Motels, restaurants, major players east of Finnup Park to help revitalize, much like Dodge, Manhattan, ect. Purchase property on either side of Forth Street to landscape from Fulton to the zoo entrance. Sports center south of Fulton, east of zoo.	6/15/2022 10:04 AM
33	Without expansion of both low cost housing public transit to serve those areas (as well as the city as a whole), this seems prone to increase the gap between the haves and have-nots.	6/11/2022 11:15 AM

34	I'd like to see more parks in the center of town. The walking park is the only facility (that's not a school) with a playground for a sizeable radius.	6/8/2022 12:51 PM
35	Move the buffalo range farther out of town. That's a perfect spot for residential development that could prove worth while for future Downtown businesses and development.	6/8/2022 9:09 AM
36	I would like to see the blue industrial area moved further west.	6/8/2022 9:08 AM
37	Planning more parks into the housing devolpments would be great too	6/6/2022 3:51 PM
38	Not in favor of all the expansion East on 156	6/5/2022 10:28 AM
39	Remove industrial development from N 3rd street.	6/3/2022 6:30 PM
40	I cannot read the legend on my very large PC monitor. I have absolutely no idea from the image what you are asking me to agree/disagree with.	6/3/2022 12:45 PM
41	North Mary from center to hwy should be zoned med res. With mixed and some commercial. Just turn KH into another early childhood center.	6/3/2022 12:20 PM
42	too hard to see map/cannot zoom	6/3/2022 9:41 AM
43	Limit the HOA residential housing. I appreciate the GC is growing but the lots available to buy have HOA attachments. Any way for people to buy a residential lot from the city for building a home with out HOAs? If there are where does one go to do that? GC is pushing some people out with the enormous raises in property taxes. The wage increases, if any, aren't making it allowable for people to sustain living in GC. Inflation of everything is hurting.	6/3/2022 9:06 AM
44	Emphasis should be on affordable housing	6/2/2022 9:10 AM
45	I like the goal of commercial at the intersection of S Business 83 and Hwy 83. It is misleading to say Southwind is in Garden City. Is this a proposal to annex Southwind?	6/2/2022 8:12 AM
46	Map is too hard to read and decipher.	6/1/2022 11:05 PM
47	We Might go Zero Emmisions	6/1/2022 3:55 PM
48	We need a LOT more nicer apartments/townhomes with 2 bed/2 bath. Nice apartments could go taller if building is attractive and not just a square dull squat.	6/1/2022 11:43 AM
49	But we need more open spaces	5/26/2022 9:09 PM
50	a little deffinitinon of what low density and medium density housing is would be nice. map shows developing residential on burnside DR but there is already comercial there and the same for the land in the old inndustrial park are. not making alot of sense	5/26/2022 1:28 PM
51	Hard to read the map on-line in this survey. Not a clear understanding what the map really means.	5/18/2022 7:06 AM
52	I like the idea of using the Arkansas river	5/17/2022 11:09 AM
53	The presentation was very detailed and informative. It makes me hopeful for the new things coming in the future	5/17/2022 11:03 AM
54	For South of the Arkansas River cleaning it up to look nice and having BMX or places for 4wheelers, dirt bikes or off road vehicles to have fun(wide space).	5/17/2022 9:52 AM
55	I think there may be a little too much focus on the river but at the same time it is something that is underutilized	5/17/2022 9:42 AM
56	I would like more bike roads and better sidewalks so people are encouraged to go outside	5/17/2022 9:01 AM

166	We have plenty of parks and trails. Would be great to have something the whole family could enjoy. Something similar to the Fun Center that shut down a little over 10 years ago. There's so little to do in our home town besides a playground, swimming, or the movies. If the liability and cost of running is too high, a simple skating rink would do. That was one of my favorite things to do as a kid and unfortunately, both rinks that I grew up with have long since been closed down and converted or torn down.	6/8/2022 11:40 PM

35	Although street lights are annoying at times, it is my opinion that this idea would be a waste of money at this moment in time. I travel that route multiple times a week and have since I was a kid. Traffic is not bad enough in that area to warrant millions of dollars in designing and building a new highway system/overpass in that area. Maybe if we double in size but at our current rate, I think we could spend money elsewhere in this town to make life better.	6/8/2022 11:40 PM

I fail to see the merit things like solar panels given the fact that they don't last forever, upkeep is expensive, and some of it is rather hard to dispose of in a "green" way. #	RESPONSES	DATE
1	I am not in favor of greater density or taller buildings...it would make Garden City more industrialized..	9/24/2022 11:13 PM
2	I don't want to see taller buildings, it would block sunrises.	9/24/2022 10:36 PM
3	Downtown needs a 5 year and 10 year development plan. We need quarterly activities in town and need encourage other towns to join the GC activities. Need to establish a zone for mixed residential and commercial. Need to invite a university to establish a campus in Garden City.	9/24/2022 10:29 PM
4	Garden City looks hopeless for now, I am not sure I have a future here yet. Strongly agree with the higher density and taller buildings...more businesses which means more jobs for the community and higher wages to match the higher living expenses.	9/24/2022 10:17 PM
5	I would like to see more taller buildings and housing units.	9/24/2022 10:02 PM
6	Taller buildings and higher density is needed to keep up with growth and keep renting / buying reasonable.	9/24/2022 4:03 PM
7	Higher density and taller buildings should be prioritized over increased suburban sprawl	9/14/2022 8:15 PM
8	Garden City has a lot of potential that just needs to be realized!	9/4/2022 9:40 AM
9	Create, promote and support events downtown including entertainment, art and music.	8/31/2022 6:35 PM
10	Manage the funds you already receive. Do not "live beyond your means" putting additional burden on residents. If taxes keep going up, you'll continue to run us all off, regardless of what businesses or amenities are here. IE: Compare to Colorado Springs: Our sales tax rate is .75 higher and our property tax is ASTRONOMICALLY higher. .46% vs 1.33%. Almost 3x higher??? What are you spending it on? How many students at GCCC REALLY need to have full scholarships? What's the ROI to our community? They-don't-stay!! Stop it! Do what you were elected/hired to do! How much are you spending on surveys? Seems like we are being mismanaged...	8/30/2022 2:03 PM
11	Property taxes are RIDICULOUS !!!!!!!	8/30/2022 11:32 AM
12	Need more activities for youth for year round, indoor roller skating rink with arcade and virtual reality games would be amazing. Also pickle ball courts and volleyball courts for the public.	8/30/2022 8:34 AM
13	Need more affordable housing for lower income families	8/28/2022 12:11 PM
14	I would rather see home construction than apartment buildings in GC. Need to move Brookovers out of town...	8/28/2022 11:36 AM
15	I want Garden City to stay a small town	8/27/2022 7:50 PM
16	Open space in the city would be helpful so that crime does not increase. Also, the stores along 8th St should get more lighting and light posts. Housing should be directed to the outskirts of the city. By adding taller buildings the town will become less family friendly.	8/27/2022 5:10 PM
17	We need higher density. Mixed use typically is unaffordable to many! We need to focus on what we have, first.	8/26/2022 6:17 PM
18	Apartments would cause more issues...such as, where would the tenants park? Build more houses, not apartments.	8/26/2022 7:23 AM
19	Taxes are too high here in Garden City for most people	8/25/2022 5:21 PM

Garden City Downtown Plan Community Feedback

20	New housing needs to be affordable for first time buyers. I would like to see more entertainment downtown, but no open containers please.	8/25/2022 5:05 PM
21	I don't want my taxes to increase and I am fed up with the frivolous wasting of tax payer dollars. If the taxes keep increasing than the population will decline.	8/24/2022 11:42 AM
22	I would like to see how changes would affect crime rates (and preferably see reductions) ie- high rise apartments would most likely lead to low income and increase in crime in that area, vs improving the look, functionality, and ability to maneuver through a space can reduce crime. I would like to see projected increase/decrease in crime due to proposed project ie- the difference between a civic center vs a casino.	8/24/2022 9:45 AM
23	Civic center downtown is a terrible idea! Look at the disaster Intrust Arena is especially for parking and driving during events	8/24/2022 9:35 AM
24	I think we need to encourage places of entertainment to come in. It would be nice to have options like indoor trampoline park, laser tag, climbing walls, skating rink, etc.	8/14/2022 9:02 AM
25	I have seen many more apartments / duplexes available at lower cost than rental houses or homes for middle income families. With families and pets, you don't want to live in an apartment.	8/12/2022 9:02 PM
26	Downtown improvements are good, but just don't cause gentrification effects.	8/12/2022 6:02 PM
27	Much taller buildings would take away from the small town feeling of Garden City.	8/12/2022 4:54 PM
28	Since the housing prices are so high, having higher density housing would provide (ideally) lower cost housing for those who need it.	8/12/2022 4:50 PM
29	More street improvements	8/11/2022 6:43 AM
30	Entertainment for adults and family	8/10/2022 9:43 PM
31	I encourage utilizing the upper floors of several of the downtown buildings for short and long-term living spaces. Renovating the Windsor into a destination convention and meeting center.	8/10/2022 3:33 PM
32	Need to find a viable solution to bring back the Windsor hotel as a viable productive building for the community. Pursue public/private partnership opportunities.	8/10/2022 12:37 PM
33	Caution on Big City ideas being pushed on rural areas. Just because the research companies are from large metro areas, ideas and direction still needs to be grounded to our area. I am not saying we should not be striving for new things, we want to continue to grow and keep our local hometown feel.	8/10/2022 12:01 PM
34	Need to keep thinking beyond. Possibly redevelopment of some areas that have places that can be Revitalization locations.	8/10/2022 10:17 AM
35	Are these plan i put in are gonna happend??	8/10/2022 9:10 AM
36	Garden City has done an excellent job leading the city into the future. The development of the "new big pool" and other endeavors are very impressive! Other communities could learn a lot!	8/10/2022 8:43 AM
37	I would like to see improvement with what we have first. And water conservation should be a must! Thank you for your hard work.	8/10/2022 8:16 AM
38	Also consider the visitors, those without vehicles and staying in hotels. The city is not friendly for walking (not for leisure or hobby) for running errands and getting basic supplies.	7/29/2022 10:57 AM
39	Something has to be done quickly about mixing in all the truck traffic and shopping/restaurant traffic on the bypass. It's not fair to visitors and residents in autos and the truckers who have to stop and get going again and again. It's dangerous and inconvenient.	7/28/2022 7:42 PM
40	The buildings Downtown need to be taller and more modern.	7/28/2022 4:39 PM
41	The city really needs to look at helping small businesses stay open in GC, whether that's through tax incentives or property tax reduction. If GC is a one of the top places to start a business then let's keep it that way. The city council should also be more open to business ideas and giving people a chance.	7/28/2022 1:25 PM
42	The City need to consider improvement of flooding in established neighborhoods and high traffic streets when it rains.	7/28/2022 9:38 AM

43	no ice rink; an indoor pool is a need that can't be met realistically by the Y-please think about that-maybe partner with USD 457 since the high school has two swim teams	7/28/2022 9:33 AM

50	For question 4, I think things look good just with low rise buildings.	7/24/2022 2:28 PM
51	I agree with the goal of adding 4,000 housing units, but it needs to be quality housing! No more slumlords! For building heights, it is tough to trust that the taller buildings won't become run-down. Please fix the Windsor! It could be amazing!	7/24/2022 1:55 PM
52	We need more things to do other than shopping....such as ice skating.	7/24/2022 8:11 AM

57	For Downtown, we need to focus on locally owned businesses	7/16/2022 7:37 PM
58	I like the idea of taller buildings and more density...good plan!	7/16/2022 3:02 PM
59	We need to maintain what we already have! For the question on density and building height...more additions to the area creates more opportunity for others	7/16/2022 2:42 PM
60	For Question 4 on density and height, it depends on the location and the transportation and resources present to serve taller buildings	7/15/2022 9:17 PM
61	In terms of question 4 asking about having taller buildings and greater density...if this really could only be in appropriate areas I would be more in favor.	7/15/2022 7:06 PM
62	For the 4,000 additional housing units...make them affordable	7/15/2022 4:37 PM

71	If the city has so many extra funds, they need to refund taxpayers their money, also need to spend more time cleaning up residential streets during snowstorm and having a cheaper landfill option for bulk organic matter disposal, also need to enforce stiff penalties for those who litter the river with garbage (a symptom of outrageous landfill prices)	7/12/2022 1:49 PM
72	More support for the things that are already happening like, The Tumbleweed music festival and Garden City Arts. The city should have a Arts and Humanities office, like in Salina.	7/12/2022 12:02 PM
73	I think it would be quite destructive to downtown to place a large scale convention center or sports arena. Removing historic spaces and buildings is widely accepted as unwise in economic development and they cannot be replaced once gone. The return on investment in these situations is not worthwhile and the lifespan of the new building will not match that of the existing historic buildings. Downtown adjacent would be more appropriate. No existing housing stock should be destroyed in this process either.	7/12/2022 11:04 AM

83	Please consider providing a place for inline hockey to continue! We appreciate that the skate park is being improved and finding a new home. We hope that the city can support our near 30 year tradition of inline hockey with a location that is well built, maintained, and can support us hosting tournaments with teams from out of town and out of state! If a decision must be made between ice hockey and inline, ice is good, too!	6/30/2022 4:05 PM

Reinvesting and updating what you have to appeal to current wants is far less expensive than building more stuff you have to maintain. The fairgrounds is a huge footprint with decreasing appeal and it anchors the downtown. Same with the old shopping center.	6/23/2022 7:08 AM

119	If you want to bring new businesses or companies you have to focus on both the people who are here and want to make a try for it or bring in people new to the area. The former is the key to the latter - housing costs here, limited options for leisure, and overall incentives need worked on as the those considerations are incredibly unappealing to potential transplants. One of the great things about GC is it is a place with many opportunities. The problem is - it is not yet a place people not from here want to be; at least not long term; and the same is true for many of our youth. Make it a place not only with opportunity, but a place people want to come to and stay.	6/11/2022 11:15 AM
120	I personally feel that finding a company who would be interested in turning the old Windsor Hotel into a casino and hotel would add business to downtown and also bring in extra revenue for the city. I feel Garden City would hugely benefit from this and it could help impact the renovation of the Windsor Hotel but also bring more business to the other buisnesses surrounding the Windsor. It would bring back life to Garden City. Add in an ice skating rink park, skate park and a place to host concerts/events and Garden City's economy will blossom!	6/10/2022 9:20 AM

Need to show off the different cultures we have in Garden City. *It would be nice to have some kind of funding available for seniors with or without low-income, to add a laundry room on the same floor or to built a ramp if they are on a wheel chair. *The young generation needs more things to do outdoors that will take them away from the games or anything that will get them in trouble, and learn social skills. *Kids with low-income resources could be asked to volunteer a number of hours in order to go Put Put, Skating rink, or Go Karts for free for so many hours. *Need things to do as a family (with grandparents, parents and kids), such as Put Put, go Karts. 124	Bike lanes and extensive trails. Make walking and biking the primary mode of transportation so we can have better health outcomes, less pollution, road noise, traffic fatalities. I hate crossing 5 lane streets as a pedestrian. If less than 10k cars drive Fulton, Mary, and Kansas then narrow the roads so people drive slower and the roads are better for pedestrians and bikers. Talley Trail looks like a dump	6/9/2022 7:05 AM
125	As a native to this town, a father, and a husband, I urge you to plan more for what families need and not so much for the bottom line. As I stated in a previous answer on this survey, there seems to be very little for the average family to do that is affordable. Yes a park is fun, so is swimming and the occasional baseball game or movie but that's almost all there is during most of the year. Lately it feels like Garden City has lost its touch with the families that live here. We used to have safe places for fun. There was a skating rink on Spruce that's gone along with the one from the Fun Center. We used to have miniature golf, go karts, and an arcade. It would be great to see wholesome family activities that are accessable year round again in this town. I do label these as needs too because anymore, I don't see a lot of kids that know how to do a whole lot. I don't see a lot of kids that have somewhere to go that'll keep them busy and positively productive. Something to consider.	6/8/2022 11:40 PM
126	I am a father to 4 children and all have played traveling sports through the years. It seems to me that our community is losing out on a large opportunity with revenue from being able to host sporting events within Garden City. More specifically the sport of girls softball; my family and I travel to Hays, Great Bend, Dodge City, Wichita, Pratt to play in tournaments from late March to mid summer and some of these tournaments have as many as 60 teams with a minimum of 9-10 players plus at least one coach for each team. That would not cou t parents who travel with the athletes. Tournaments are 2-days for the most part which would be a great opportunity to fill hotels, restaurants, and introduce new patrons to our shopping experience. Fix up Peebles complex so it can host bigger baseball and softball tournaments like Dodge and Great Bend. Provide some individual lots so people have access to build individual homes. Don't use trailer parks to solve the housing problem. Fix up the Windsor and the State theater. Get some of the land lords motivated to fill vacancies and do improvements downtown. Clean up Burnside Drive. Clean up the Huber Sand Pit. Clean up the Golden Locket golf course Clean up the burned out house on 7th street.	6/8/2022 4:18 PM

131	I love the idea of a downtown civic center, but I believe that Dodge City covers those needs for our regional community. We would benefit more from a conference center, as our local economy is largely based on industry and ag. I would love to see a smaller venue (with both indoor and outdoor facilities) in order to host local and regional arts performances, as well as offer another space for community events of all sorts (think Steven's park designed for the city's current entertainment needs). If the sports of the world project is still in the plans, then we don't need another sporting venue.	6/8/2022 12:51 PM

146	This had a lot of Park and Recreation themes in it, as it should. But how will this coordinate with the Parks and Recreation Master Plan that is also going on right now? Are these being done by the same company? If not, are the two talking with each other and sharing their information to that the reports and plans a complimentary and not contradictory? I would like to see a Comprehensive Plan and Downtown Plan that offers clear and measurable objectives and not flowery, but empty, wording like were used for the options in question 12 (Support small businesses, Increase the number of visitors and shoppers Downtown, Elevate the look and feel of Downtown, Improve options for bicycle/pedestrian transportation, Enhance the sense of place). The results of that question would give decision makers nothing to work with. Any improvement (or excuse for an improvement) could be construed to fit one or more of those possible answers. 148	One thing that is always missed when talking about improvements to a community is the fact that we need stronger regulations/laws on our dog population and treatment of animals. Other large Cities have regulations on dogs being chained up outside, I would like to see Garden City/Finney County go a step further and require dogs/cats to be spayed or neutered and have a large fee attached for not having it done. The pet population is GC is crazy, the amount of pets that are transferred to other shelters is very high and as soon as they are gone the shelter fills back up right away. There has to be a solution that the City can enforce to help with this major problem. At this point, anything would be helpful.	6/3/2022 9:41 AM
149	I realize GC has goals of constantly growing and improving, however with the rising costs of building materials I don't think it's fiscally responsible to be building more at this current time unless you're able to truly control the costs. 196	Nothing , just seeing garden grow	5/13/2022 11:58 AM
197	I wouldn't like the town to grow, everything is so expensive. Small businesses never have enough customers and that's because no one knows about them. We need more entertainment and ways to transport to other places when there's no ride.	5/13/2022 10:21 AM
198	I want there to be more art pieces around garden city. A lot of people don't care about art. Art is expressed in so many ways and I feel that people should learn more about it.	5/13/2022 10:18 AM
199	adding more stores and restaurants would give people more options to go hang out instead of going out of town.	5/13/2022 10:15 AM
200	None else	5/13/2022 10:14 AM
201	To expand be zoo	5/13/2022 9:51 AM
202	Run up the trails and river parks us boys wanna ride!	5/13/2022 9:51 AM
203	I strongly recommend that a movie theatre complex go downtown with additional corporate restaurants.....For example a red lobster or Olive Garden down there.....Figure out how to do it.	5/13/2022 9:50 AM
204	More stuff to do like an arcade or a jumping park would be nice. Just anything that would be enjoyable fir kids, teens and also adults. and more landscape like flowers or trees around garden city so it don't look dry as it is.	5/13/2022 9:48 AM
205	i think its okay with everything at Garden City	5/13/2022 9:45 AM
206	Make it bigger	5/13/2022 9:44 AM
207	Just make it more wider add more buildings	5/13/2022 9:44 AM

211	none	5/13/2022 9:23 AM
212	New restaurants and events centers for entertainment, especially an ice skating rink, would be amazing. Art museums and theme parks or a mall would also be cool if we have the funding for it.	5/13/2022 9:22 AM
213	I think that we should have a lot more stores like bath and body works and food places like chick-fil-a because we repeat all the stores and food places over and over and I think we should have other places to visit.	5/13/2022 9:17 AM
214	I think we should have many more stores and activities just because we repeat going to the same ones every time.	5/13/2022 9:16 AM
215	N/A	5/13/2022 9:15 AM
216	We need an actual mall for different kinds of shoppers, having a hot topic would be good for attracting teens.	5/13/2022 9:06 AM
217	Good	5/13/2022 9:01 AM
218	A small Mall	5/13/2022 8:52 AM
219	Grow our community	5/13/2022 8:52 AM
220	I'm good	5/13/2022 8:47 AM
221	Maybe a really pretty fountain that people would like to go down and take pictures!	5/13/2022 8:47 AM

Garden City Downtown Plan Community Feedback

222	Incentives and help for small businesses. Infrastructure to ensure residential connectivity (wifi, and cell phone signal especially).	5/13/2022 8:22 AM
223	I just wanted to say is think about the vegetation around garden city, think about all the dry areas around garden and even some small areas where a building would be able to fit but a good few trees with some shrubs would fit just perfectly. As it adds a greener look in garden city.	5/13/2022 8:11 AM
224	Go-karts, trampoline park, better lighting	5/13/2022 8:00 AM
225	Male Garden City Big	5/13/2022 7:34 AM
226	Downtown with outdoor eating would be nice, like to walk by and be enticed to eat there. Also, the apartments over the businesses were really nice	5/12/2022 9:18 AM
227	I would like to see more green infrastructure and trees for bikers and walkers to be able to walk or bike around downtown. Downtown should also have more entertainment and modern buildings.	5/12/2022 9:13 AM
228	Maybe add more shopping places or parks for people to hang out	5/12/2022 9:10 AM

232	We need a Venue for concerts in the future, it would be cool to not have to go to other cities for a concert	5/12/2022 8:32 AM
233	hi	5/12/2022 8:29 AM
234	Add entertainment such as go kart racing & trampoline parks. & some restaurants like Olive Garden & Chick-fil-A.	5/12/2022 7:28 AM

238	I like the idea of lights I think it's really cool and I like how stevens park looks when it has those strong lights (not on the tree) but in the main hexagons thing would allow more people to come in and maybe hold more nightly events there (live music)	5/12/2022 6:37 AM
239	I think we should have a mall instead of having each stores by themselves	5/12/2022 6:25 AM
240	Cost	5/12/2022 6:19 AM
